# Northeast Local and Family

This map shows Unice's approximate outdoor GSM coverage through 1/31/07. The actual coverage area may differ from map graphics and coverage may be affected by terrain, weather, foliage, buildings and other construction, signal strength, customer equipment, system availability and capacity and other factors. This map may vary from maps based upon different wireless technologies, including these offered by other wireless carriers. Map coverage includes roaming coverage from our partners. Unice is not responsible for network performance in these areas. Unice provides these maps for informational purposes only and does not guarantee coverage of service availability.
